

Laboratorio Químico Microbiológico, S.A

Lista Pública de Ensayos

Acreditación 498/LE806 Ed.23 de fecha 2018-09-14

Revisión LPE: 269 de fecha 2018-10-02

El documento LPE (Lista Pública de Ensayos) es usado por el laboratorio para informar a los clientes de los plaguicidas y matrices cubiertos por la acreditación, así como las actividades de validación y comprobación realizadas. La estructura de la LPE es:

- Tabla de "CODIGO DE GRUPOS DE MATRICES ACREDITADAS" con los códigos y descripciones de las matrices usadas en las siguientes tablas.
- Cabecera con la descripción del ensayo (PNT) sobre la que aplica la siguiente tabla.
- Tabla cruzada en la que se indica plaguicidas y códigos de matrices. Para cada plaguicida y código de matriz se indica el LC (límite de cuantificación) en mg/Kg si está acreditado y en el caso que ese plaguicida para esa matriz no se encuentre acreditada aparece la palabra "NO". El valor de NO, implica que no se mostrará dicho plaguicida, en la matriz correspondiente en el Informe de ensayos del laboratorio.
- Tabla de "MATRICES VALIDADAS O COMPROBADAS" donde se muestran las matrices validadas (val) o comprobadas por el laboratorio a fecha de la LPE. Cualquier matriz diferente a las validadas o comprobadas podrá ser objeto de comprobaciones para parte del laboratorio, informando al cliente de dichas actividades, plazos y resultados fuera de los criterios de calidad (si los hubiera).

Aprobado por DT (Jose Luis Pineda) en la fecha de revisión de la LPE

Revisado por RC (Jose M. Veiga) en la fecha de revisión de la LPE

CODIGO DE GRUPOS DE MATRICES ACREDITADAS

CODIGO	NOMBRE	DESCRIPCION
G. I	Grupo I: Alto contenido en agua, baja acidez y bajo contenido en azucar	Hortalizas, verduras, material foliar, material vegetal.
G. II	Grupo II: Alto contenido en agua, baja acidez, alto contenido en azucar	Frutas dulces.
G. III	Grupo III: Frutas citricas. Alto contenido en agua, alta acidez.	Frutas citricas.
G. IX	Grupo IX: Bebidas alcoholicas a base de frutas con fermentacion natural y bajo contenido en alcohol	Bebidas alcoholicas a base de frutas con fermentacion natural y bajo contenido en alcohol
G. V	Grupo V: Cereales no procesados (grano y sus harinas)	Cereales no procesados (grano y sus harinas)
G. VII	G-2: Frutos secos	Frutos secos
G. VIII-A	Grupo VIII-A: Especies (Pimenton y otros condimentos)	Pimentón y otros condimentos
G. VIII-B	Grupo VIII-B: Especies (Azafran)	Azafrán
G. VIII-C	Grupo VIII-C: Especies (Hierbas aromaticas)	Hierbas aromáticas
G. X	Grupo X: Miel y melazas	Miel y melazas
G. XI	Grupo XI: Suelos	Suelos
G. XII	Grupo XII: Musculo (de carne y pescado)	Musculo de carne y pescado
G. XIII	Grupo XIII: Concentrados de frutas	Concentrados
G. XIV	Grupo XIV: Zumos de frutas	Zumos de frutas
G.1.Aceite	G-1-A: Aceites esenciales (citricos)	Aceites esenciales de cítricos
G.2.Aceite	G-1-B: Aceites esenciales (Hierbas aromaticas)	Aceites esenciales de Hierbas aromáticas
INF 1	Infantil 1: Alimentos infantiles elaborados a base de carne, pescado, frutas, verduras y lacteos	Alimentos infantiles elaborados a base de carne, pescado, frutas, verduras y lacteos
INF 2	Infantil 2: Alimentos infantiles elaborados a base de cereales	Alimentos infantiles elaborados a base de cereales
INF 3	Infantil 3: Preparados para lactantes	Leches infantiles (preparados para lactantes y leches de continuacion)
